Teacher Education Program

Undergraduate Program Employer Survey

The North Carolina State Board of Education requires Institutions of Higher Education to solicit feedback from employers regarding the quality of their graduates' preparation. Your assistance in completing this survey will help us evaluate and improve our programs. The intent of this survey is to gather your perceptions of our teacher education program based on your observations and interactions with teachers who have completed our program. This survey is not intended to ask you to evaluate a specific teacher.

Demographic Information

Your Position _____ (principal, personnel director, etc.)

Check one: ___ Preschool ___ Elementary ___ Middle ___ High School ___ Other

Estimated number of Greensboro College graduates you have observed _____ (*This is not limited to first-year teachers*)

Program Completers:
