

Cooperating Teacher Fieldwork Experiences Questionnaire

The Greensboro College Teacher Education Program not only encourages but also requires extensive fieldwork in a variety of classroom settings prior to the student teaching experience. It is the purpose of this questionnaire to assess the effectiveness of the field experience program. The completed questionnaire should be returned to the Director of Clinical Experiences in Proctor Hall East, room 102.

Course No. _____ Semester of Experience: Fall _____ Spring _____

Candidate Licensure Area _____

Clinical Site _____

1. Was the fieldwork cooperating teacher experience positive? If so, why? If not, why not?

2. Was the contact between you and the college supervisor adequate and/or helpful?

3. What could Greensboro College do to strengthen the field experience component of the Teacher Education Program?
