Evaluation Ratings: Pre-service teachers are not first-year teachers and should not be held to the same standard. Also 1, 2, 3, and 4 do not correspond to a grading scale "F", "C", "B", "A". The rating, 3-meets expectation, should be considered the goal for pre-service teachers.

- N/A Not Applicable
- 1-Unsatisfactory: The candidate is not in any way meeting the indicator. The candidate does not know that he/she does not know.
- 2-Needs improvement: The candidate is aware of the indicator but is inconsistent in meeting the particular criteria. The candidate knows that he/she does not know.
- 3-Meets expectation: The candidate is consistent, reliable and competent in meeting the standard/indicator.
- 4-Exceeds expectation: The candidate is meeting the indicator at a level comparable to a first-year or more experienced teacher.
